

FLF PROGRAM (EAPD)

CLIENT APPLICATION

Date of application: _____ Date received by Roycan: _____

This application is to ascertain the eligibility of each individual for consideration of entrance into this FLF program. Please read the client criteria carefully, as FLF Program is not appropriate for all individuals. These criteria are used as guidelines, and each client will be assessed on an individual basis.

Please note: Completion of this application does not ensure acceptance into the program.

CLIENT CRITERIA:

- Must be able to maintain a sitting position while the horse is in motion
- Minimum recommended age of 4 years
- Seizures must be controlled by medication
- Maximum recommended weight of 160 pounds (but client will be assessed on the ability of side-walkers to manage and hold the client on the horse)
- Medical Release form from Doctor (stating physical/mental issues and list of medications and their side-effects)
- Complete report from your Physiotherapist on client’s physical limitations and what muscles need to be strengthened.
- Clients accepted into the program are done so on a trial basis
- Each client will be assessed and a program will be designed for them. This may not include riding but grooming and working with the horse on the ground.
